

PNG & Pacific Region Services

Economic & Financial Consulting

We have extensive experience advising and acting for government and corporates in PNG and across the Pacific region. Our team has developed a wealth of knowledge and strong understanding of the financial, governance, and the practical operational challenges that need to be managed within PNG and the Pacific region and have a dedicated practice to support our clients with businesses and operations in this jurisdiction.

THE FTI CONSULTING DIFFERENCE

Broad range of experience

We deliver professional services across the spectrum of advisory services from policy to implementation. Our experience includes policy development, regulation, business transformation, through to implementation.

Independence

With no audit practice, FTI Consulting is conflict-free and uniquely positioned to provide impartial advice and assistance. We have a proven track record in PNG and internationally for providing independent professional advice with the highest levels of integrity.

Understanding of SOEs and their issues

Our team has extensive experience and knowledge of relevant SOE businesses developed over many years of working in PNG and abroad. From this, we understand the financial, governance, legal and the practical operational challenges that need to be managed within PNG's SOEs.

OUR OFFERING

FTI Consulting delivers a comprehensive range of advisory services in PNG and the Pacific region. With a long history of successful advisory work in PNG and the Pacific region, we draw on our experience to deliver practical and implementable outcomes for our clients.

Our clients include the PNG Government, many state-owned enterprises (SOEs), KCH and economic development agencies such as DFAT and ADB, and private sector firms.

Recently our work has included developing refinancing strategies for KCH, business transformation projects for Air Niugini and PNG Post, and the completion of economic, commercial and regulatory analysis for PNG Ports.
